## **NATIVE SEED PRICE LIST – EFFECTIVE JUNE 2007**

**This price list supercedes all previous lists.**

Tranen Pty Ltd specialises in the supply of Australian native seed species indigenous to Western Australia. We cater to the mining and construction industries, farmers, nurserymen, landscapers, land developers, land care groups, researchers and general public institutions, schools etc.

### **ORDERS**

When placing an order, please refer to the attached price list. Please telephone, fax, email or mail your order to us for confirmation of availability and pricing before making payment. Print your name, address and telephone/fax numbers clearly. If you have established an account with us, please provide an official purchase order number when placing an order.

### **CONDITIONS OF SALE**

#### **Prices**

All prices and charges are quoted in **AUSTRALIAN** dollars (AUD) and are subject to change without notice. Prices shown exclude Goods and Services Tax (GST) of 10% which will be applied to all sales within Australia. Overseas orders are exempt from GST.

Most species are sold by weight but some (eg Banksia, Dryandra, Macrozamia and Xylomelum) that are more variable in seed size are sold by seed numbers instead, and our prices are structured as follows:

#### **Species sold by weight:**

- The minimum order quantity in grams and the associated price is shown. This rate also applies pro-rata to orders for up to 49 g.
- The 100 gram rate applies to orders for 50 to 499 g
- The kg rate applies to orders for 500 g or more.

#### **Species sold by number of seeds:**

- The minimum number of seeds that may be ordered and the associated price is shown. This also applies pro-rata to orders of up to 499 seeds.
- The 100 seed rate applies to orders for 500 to 999 seeds.
- The 1000 seed rate applies to orders for 1000 seeds or more.

Prices generally reflect the degree of difficulty in the harvesting and processing of the seeds as well as seasonal conditions and availability, and as such they are subject to change without notice. We recommend that you ask for a firm quotation first.

POA indicates price on application.

#### **Minimum Order**

The minimum total order is \$50.00. A handling fee may be charged on international orders of less than \$200.00.

## **Additional charges**

Additional charges will be applicable if scarification, hot water or smoke treatment of seeds is requested, or if phytosanitary certificates are specified.

Charges for insurance, if requested, are additional.

For overseas orders, you should advise your bank not to deduct any fees or charges from your remittance. Any such deductions made by your bank will be to your account.

## **Despatch**

Orders will generally be dispatched within 5 working days of receiving order confirmation, unless otherwise instructed.

Ownership and responsibility passes to the purchaser when the goods are handed to the Post Office or carrier. Insurance can be arranged on request.

## **Postage & Handling**

Unless otherwise advised, we will send all orders by Australia Post Parcel Service, the current charges for which are:

- Within WA: up to 500 grams - \$7.00, thereafter \$0.50 per additional kilogram
- Other States: up to 500 grams - \$8.50, thereafter depending on the state.

For international sales - Australia Post's prevailing airmail prices will apply.

Invoiced weights are net when packed.

## **Availability**

Availability cannot be guaranteed. Please check availability with us before making payment.

Species other than those listed may be available on request. Please inquire if you have any specific requirements.

## **Payment**

We accept payment by Mastercard and Visa, electronic fund transfer, cheque and money order in favour of to Tranen Pty Ltd. Cash payment will only be accepted over the counter.

For international orders, we recommend payment be made by telegraphic transfer.

Our bank account is with Westpac Bank, Shop 22 Floreat Forum, Western Australia, BSB No 036 063, Account No 91 1607, in the name of Tranen Pty Ltd.

When you make payment by bank transfer, please advise details of payment to us for verification with our bank to minimise delays in processing of your order.

Unless prior credit arrangements have been made, seed will be despatched only after full payment is received in Australian dollars.

Our Australian Business Number (ABN) is 37 054 506 446.

## **Germination Tests**

If required seeds may be ordered with seed quality certification, indicating batch purity, viability and germinability. This certification is conducted by an independent laboratory and as such, the cost of this service is added to the cost of the seed order.

## **Warranty**

The purchaser warrants that it has satisfied itself as to the suitability of the seeds for the purchaser's purpose, and the purchaser agrees that no express warranty,

condition or representation has been given by Tranen as to quality, fitness, suitability or otherwise of the seeds.

The purchaser agrees that, so far as Australian law permits, all conditions and warranties which might be implied on the part of Tranen are hereby negated and excluded. Where legislation implies conditions or warranties on the part of Tranen which cannot be negated or excluded, liability for breach of such conditions or warranties shall be limited, at the option of Tranen, to:

- (a) refund of any amounts paid to Tranen for the supply of the seeds; or
- (b) resupply of the seeds.

### **Claims/Returns**

All shipments should be inspected immediately upon receipt and claims for any cause should be made in writing within 5 working days of the receipt of goods. Tranen Pty Ltd will not accept any claims after the seeds have been cleaned, planted or improperly stored or treated. Returns will not be accepted without our express permission obtained prior.

### **GENERAL**

#### **Other Species**

Please do not hesitate to enquire about species that you may require which are not listed in our catalogue, and we will be pleased to endeavour to source them for you.

#### **Technical Information**

Please feel free to contact us if you require further technical information, including information on seed counts.

#### **Smoke Water**

We also stock Smoke Water, used to promote seed germination, which is available in:

- One litre plastic bottles, for \$15.00
- Two litre plastic bottles, for \$ 28.00
- 100 ml plastic bottles, for \$2.00.

Both of the above prices are exclusive of GST.

#### **Additional Services**

Tranen are able to provide the following additional services:

- Environmental consulting and planning services
- Environmental and natural resource management projects
- Project management
- Soil erosion and sediment control
- Direct seeding, revegetation and rehabilitation works
- Community development and training
- Maintenance, monitoring and review
